Project Description:

- Once deemed the largest fish hatchery in the world, Leavenworth National Fish Hatchery raises 1.2 million spring Chinook salmon each year! Learn about salmon life cycles, explore the outdoors, and support trail systems at this beautiful Washington hatchery located in the heart of the Cascade Mountain Range!
- Leavenworth National Fish Hatchery provides the public more than fish with its public boat launch, a tribal fishing area, and over 5 miles of public trails. Leavenworth National Fish Hatchery has been partnering with volunteers to build a trail system on the northern part of the hatchery grounds.

Offsite Activity Description:

- Host can provide tours of our facilities. There are ample hiking opportunities in the area, and hosts can coordinate transportation to a trailhead.

Area and Attractions:

- Leavenworth Washington is a Bavarian-themed tourist town in the Eastern Cascades. The region is known for its hiking, camping, skiing and other outdoor activities. Lake Wenatchee and Lake Chelan are both popular lakes to recreate it and there are countless alpine lakes throughout the region.

Travel Details:

- Pangborn Memorial Airport in Wenatchee, Washington and Seattle-Tacoma International Airport in Seattle, Washington are the closest airports. Airport pick up and drop off is available for volunteers and will be arranged upon confirmation of the trip.
